TIM2 Task Force
Interagency Operations Issues

Colonel Pat Kelly
OUSD-Policy
29 March 2006
Worldwide Joint Training and Scheduling Conference

Interagency Issues

POLICY

- DoD Directive on Integrated Operations
- Education Career Requirements
- Training Requirements
- Intergovernmental Integration
- Engagement beyond DoD
- Operations Doctrine
- Operational Impact

POLICY

DOD Integrated Operations Directive

- **Impacts**
  - **Establishes DoD policy and assigns responsibilities within the Department for preparing for, conducting, and supporting integrated operations**
  - **Defines integrated operations, the interagency community and the United States Government interagency processes**
  - **Encourages inclusiveness of the interagency community before, during, and after operations**
  - **Emphasizes the value of joint interagency coordination**

POLICY

DOD Integrated Operations Directive

- **Planned Next Steps**
  - **Coordination and formal staffing of Directive – 20 Feb 2006**
  - **Approval of Directive – April 2006**
  - **Brief Directive at TIM2 ESG – 10 April 2006**
  - **Establish Implementation Working Group - TBD**

POLICY

Education Career Requirements

- Five phase approach going from initial accession to top levels
- Impacts all personnel categories
- Development of on-line courseware
- Resident course inclusion

POLICY

Operations Training Requirements

- Assess/incorporate/improve current approach to multinational training
- Address requirements of staffs, units, and organizations at all levels
- Impacts exercise/experimentation programs
- Effectively integrate interagency community partners

POLICY

Interagency Intergovernmental Integration

- Synchronize Tasks and mapping of capabilities
- Development of DoD-DHS lexicon for HLS/HD
- Capture Hurricane observations and connect to UJTL changes to realize lessons learned
- Education must inform on plans, command structure, responsibilities, resources

POLICY

Interagency Engagement Beyond DoD

- Shared concerns and interest
- Outreach to more senior leaders
- Engagement strategy for PDUSD-P
- Upon approval, aggressively implement
  - Brief DC – urge development of NSPD
  - Establish TIM2 USG Agencies ESG

Interagency Operations Doctrine

POLICY

- Assessment of gaps/seams
- Analysis of depth of coverage and accuracy
- Impact of DODD 3000.05/NSPD 44
- Recommendations for Joint Doctrine
- Routine improvement within current revision cycle
- Involvement of interagency community partners in revision process
- Impact on Service TTP

POLICY

Interagency Operational Impacts

- Joint Training System
- CEP/JEP
- System compatibility JTIMS/DRRS
- More interagency involvement in planning and participation
- National Exercise Program
- National Education and Training Program
